Accommodation in Bonn
during the Conference
"Future today / yesterday / tomorrow: Visions of future(s) in the Americas"

We have blocked a contingent of rooms in some hotels in the city centre for the period from 11 to 15 June 2019, to make it easier for you to organise your stay in Bonn. Please note that the conference will take place during the Pentecost week, with public holidays in North Rhine-Westphalia, so a high demand is expected for these days. We therefore recommend that you make reservations as soon as possible.

For students and participants who have a limited budget, we can offer the possibility of private Couch Surfing accommodation which is organized by the student council of the Department of Anthropology of the Americas.

Private accommodation organized by students

There will be the possibility of a Couch Surfing-style accommodation – thanks to coordination of the student council and willingness of students of the Department of Anthropology of the Americas to open their homes to conference participants during these days. Because of their limited capacity, we ask you to contact the student council as soon as possible. Unfortunately, we will not be able to offer this type of accommodation to all of those interested. We hope for your understanding in this matter.

If you are interested in private accommodation, please send an email to the student council (fachschaftethno@gmail.com) which should include the details listed below.

1. name and surname
2. e-mail
3. mobile phone number
4. languages
5. age
6. nights (Tuesday, Wednesday, Thursday, Friday, Saturday)
7. Will you come alone or would you like, if possible, to stay in a place for more than one person?
